

1. In any of the Academic Programs of the University leading to an award of the Certificate/ Diploma/ Bachelor degree / Post Graduate Diploma/ Master degree shall be based on (a) Choice Based Credit System, (b) Semester System, (c) Multiple Entry and Exit, (d) Grading System, (e) Internal Assessment/Continuous Assessment (IA/CA) and External Assessment/End of Semester Evaluation (EA/EoSE), in toto as well as for each of the educational component of an Academic Program called a course.
2. To pass a course, a candidate shall have to score 40% marks in its each component i.e. IA/CA, EA/EoSE etc.
3. In each course 70% weightage is given to EA/EoSE and 30% weightage to IA/CA.
4. **Award of BA-JMC Degree:**
 - (a) To pass Three Year (Level 5.5) BA-JMC with chosen Three Disciplines, a student is required to earn 40 credits of Level 4.5, 40 credits of Level 5 and 40 credit of Level 5.5 which shall include earning 24 credits of DCC (Compulsory) courses in each of three Discipline, 4 credits of AEC, 8 credits of SEC courses and 36 credits from elective courses of any type including DSE of chosen disciplines, DCC or DSE of other Disciplines, VAC, GEC.
 - (b) To pass Four Year (Level 6) BA-JMC (Honours), a student is required to earn 40 credits of Level 4.5, 40 credits of Level 5 and 40 credit of Level 5.5 which shall include earning 60 credits of DCC (Compulsory) courses in chosen discipline, 4 credits of AEC, 8 credits of SEC courses and 48 credits from elective courses of any type including DSE of chosen discipline, DCC or DSE of other disciplines, VAC, GEC. In addition 40 credits of level 6 including 20 credits of DCC (compulsory) course are needed.
5. **Promotion in BA-JMC Program:**
 - (a) To be promoted to the III Semester, that is at the end of first academic year to Level-5, a student is required to earn 40 credits including 24 credits of Discipline Centric Core (Compulsory) and 4 credits of AEC courses.
 - (b) To be promoted to the V Semester, that is at the end of second academic year to Level-5.5, a student is required to earn 80 credits including 48 credits of Discipline Centric Core (Compulsory) and 4 credits of SEC courses.
 - (c) To be promoted to the VII Semester, that is at the end of third academic year to Level-6, a student is required to earn 120 credits including 60 credits of Discipline Centric Core (Compulsory) and 4 credits of AEC, 8 credits of SEC and 48 credits from elective courses in previous semesters.

6. Award of MA Degree:

- (a) To pass One Year MA (Level 6.5) after 4 Year bachelor (Hons.) degree, a student is required to earn 40 credits including 20 credits of DCC (compulsory) course.
- (b) To pass Two Year MA (Level 6.5) after 3 Year bachelor degree, a student is required to earn 80 credits including 40 credits of DCC (compulsory) course.

7. Promotion in MA Program: In MA (Two Year) Program after three year Bachelor Degree, to get promoted to the III Semester, that is at the end of first academic year to Level-6.5, a student is required to earn 40 credits including 20 credits of Discipline Centric Core (Compulsory) courses in chosen discipline.

8. The grace marks shall be given up to 1% of the total aggregate marks of that Semester.

9. If a student earns course credit from any other institution or MOOC portal, then

- (a) it has to be in equivalence with the course being run by the University.
- (b) the credit value shall be in accordance with University's credit framework.
- (c) Such credits shall be added in the respective Semester, only when concerned grade sheet is presented to University within 10 days of the final course (paper) of that EA/EoSE. Otherwise said credits shall be added in the subsequent Semester.

10. Grading: Ten Point Scale for Letter Grades and for non-letter grade courses Satisfactory or Unsatisfactory shall be indicated. Letter Grades shall be counted for the computation of SGPA/CGPA. However, for Add-On courses, non-counting of letter grades in SGPA/CGPA may be permitted.

Letter Grade		Grade Point	Marks Range	SGPA/CGPA
O	outstanding	10	90% -100%	9.5 to 10.00
A+	Excellent	9	80% - 89.99%	8.50 to 9.49
A	Very good	8	70% – 79.99%	7.50 to 8.49
B+	Good	7	60% – 69.99%	6.50 to 7.49
B	Above average	6	50% – 59.99%	5.50 to 6.49
C	Average	5	45% – 49.99%	4.50 to 5.49
P	Below Average/ Pass	4	40% – 44.99%	4.00 to 4.49
F	Fail	0	<40%	
U	Unfair Means	0		
W	Withdrawn	0		
X	Absent	0	Absent	

11. Computation of SGPA and CGPA

- (a) To determine the grade, marks obtained both in EA/EoSE as well as Internal Assessment/Continuous Assessment (IA/CA) shall be considered.
- (b) The percentage of marks will be converted into whole number. When the percentage is in fraction, is greater than or equal to 0.50 is considered as 1 (one). For example, if percentage is 69.45 then it will be considered as 69, but if the percentage is 69.50, it will be considered as 70.
- (c) Semester Grade Point Average (SGPA) indicates the performance of a student in a given Semester. SGPA is based on the total credit points earned by the student in all the courses and the total number of credits assigned to each course in a Semester.
- (d) Grade will be awarded according to the method given below:

Credit Point earned for the Course = No. of Credits Assigned to the Course X Grade point secured for the Course

SGPA (Semester Grade Point Average) = Total credit points earned by a student in a Semester ÷ Total credits assigned (for which a student has scored) for that Semester

CGPA (Cumulative Grade Point Average) = The total number of credit Points earned in all Semesters ÷ the total number of credits assigned (for which a student has scored) in all the Semesters

SGPA and CGPA shall be rounded off to 2 decimal points.

For Example:

Course	Credit	% Obtained by Student	Grade	Grade Point	Credit assigned X Grade Point = Credit points earned
MA-JMC (EM) 101	6	74	A	8	6X8=48
MA-JMC (EM) 102	6	58	B	6	6X6=36
MA-JMC (EM) 103	6	67	B+	7	6X7=42
MA-JMC (EM) 104	6	70	A	8	6X8=48
	24				174

Semesters	Total Credit	Credit points earned in the Semester
Semester I	24	174
Semester II	24	156
Semester III	24	162
Semester IV	24	144
	96	636

$$\text{SGPA} = 174/24 = 7.25$$

$$\text{CGPA} = 636/96 = 6.62$$

12. There will be no supplementary/ due paper/ special examination for any course. The candidates can improve performance in the respective subsequent (even/odd) EA/EoSE and performance in the next appearance will overwrite earlier performance. Student will have to prepare on his own for improvement. Chance of improvement in IA/CA will not be permitted.

13. Conversion of CGPA to Percentage :

To convert CGPA to percentage the CGPA be multiplied by Ten. Thus CGPA of 6.62 will get converted to 66.2%. Because of the grading system, the percentage calculated on the basis of conversion may be different then percentage calculated by the consideration of actual marks obtained in courses. The percentage based on CGPA conversion shall be mentioned in the final cumulative grade sheet and shall be treated as final and valid value of percentage for all purpose.
